Notes

1. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself / herself and the proxy need not be a member of the Company. The instrument appointing the proxy should, however, be deposited at the registered office of the Company not less than forty-eight hours before the commencement of the Annual General Meeting.
A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder. The holder of proxy shall prove his identity at the time of attending the Annual General Meeting. Attendance Slip, Proxy Form and the Route Map of the venue of the Meeting are annexed hereto.
2. Corporate members intending to send their authorized representatives to attend the meeting are requested to send certified copy of Board Resolution or other governing body authorizing their representatives to attend and vote on their behalf at the meeting.
3. Members/proxies/authorized representatives should bring their copy of the Annual Report and Accounts along with duly filled Attendance Slip enclosed herewith to attend the Meeting.
4. Members who hold shares in dematerialized form are requested to write their DP ID and Client ID Numbers and those who hold shares in Physical form are requested to write their Folio Number in the Attendance Slip for attending the Meeting.
5. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of Names will be entitled to vote.
6. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 ('the Act') and the Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the members at the Annual General Meeting.
7. The Register of Beneficial Owners, Register of Members and Share Transfer Book of the Company shall remain closed from Monday, the September 26, 2022 to Thursday, September 29, 2022 (both days inclusive) for the purpose of 26th Annual General Meeting.
8. The Annual Report 2021-22, the Notice of the 26th Annual General Meeting and instructions for e-voting, along with the attendance slip and proxy form, are being sent by electronic mode to members whose email addresses are registered with the Company / depository participant(s), unless a member has requested for a physical copy of the documents. For members who have not registered their

email addresses, physical copies are being sent by the permitted mode.

9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in physical form can submit their PAN details to Bigshare Services Private Limited.
10. As per Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members holding shares in physical form may submit the same to Bigshare Services Private Limited. Members holding shares in electronic form may submit the same to their respective depository participant.
11. All documents referred to in the accompanying notice and explanatory statement are open for inspection at the registered office of the Company on all working days, except Saturday between 11:00 a.m. to 01:00 p.m. prior to the date of 26th Annual General Meeting of the Company.
12. Any member desiring any clarification/explanation in respect of the information given in this annual report is requested to submit query to the company at least 10 days in advance before the meeting so as to enable the management to keep information ready.
13. SEBI has decided that securities of listed companies can be transferred only in dematerialised form from a cut-off date, to be notified. In view of the above and to avail various benefits of dematerialisation, members are advised to dematerialise shares held by them in physical form.
14. To support the 'Green Initiative', Members who have not registered their e-mail addresses are requested to register the same with DPs or RTA of the Company.
15. Additional Information, pursuant to Regulation 36 read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, in respect of the directors seeking appointment / reappointment at the AGM, forms part of the Notice.
16. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all the resolutions set forth in this Notice. The instructions for e-voting are annexed to the Notice. Resolution(s) passed by Members through e-voting is/are deemed to have been passed as if they have been passed at the AGM.

17. The Board has appointed Ms. Madhura Ubale (FCS No: 9338, COP No: 25038), Practicing Company Secretary as the Scrutinizer to scrutinize the e-voting / ballot process in a fair and transparent manner.
18. The e-voting period commences on Tuesday, September 27, 2022 at 9:00 a.m. and ends on Thursday, September 29, 2022 at 5:00 p.m. During this period, members of the Company holding shares either in physical form or in dematerialized form, as on the Cut-off date i.e. September 23, 2022, may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the e-voting module will be disabled by CDSL for voting thereafter. The voting rights of the members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cut-off date i.e. September 23, 2022. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
19. The facility for voting through ballot papers will also be made available at the AGM and the members attending the AGM who have not already cast their votes by remote e-voting shall be able to exercise the right at the AGM through ballot process. The Members who have cast their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their votes again.
20. If Members are opting for remote e-voting, they shall not vote by poll paper and vice versa. However, incase Members cast their vote both by poll paper and by remote e-voting, then voting done through remote e-voting shall prevail and voting done by poll paper will be treated as invalid.
21. The Scrutinizers shall immediately after the conclusion of the voting at the 26th Annual General Meeting, first count the votes of the valid poll paper cast at AGM. They shall then proceed to unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company. The Scrutinizers thereafter shall submit their report to the Chair person or a person authorized by him in writing, who shall counter sign the same. The result of the voting along with the Scrutinizer's report will be announced within forty-eight hours of the conclusion of the 26th Annual General Meeting at the Registered Office of the Company.
22. The results declared along with the Scrutinizer's report shall be placed on the Company's website www.prakashconstro.com and on the website of CDSL and shall also be intimated to the BSE Limited and National Stock Exchange of India Limited where shares of the Company are listed.
23. The route map of the venue of the Annual General Meeting is appended to this Report. The prominent landmark near the venue is Ved Mandir (Trimbak Road).

24. A detailed list of instructions for e-voting is annexed to this Notice.

Secretarial Audit Report for the Financial Year ended March 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Setubandhan Infrastructure Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Setubandhan Infrastructure Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the Company during the Audit Period)

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

i. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

ii. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

iii. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during the Audit Period)

iv. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during the Audit Period)

v. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit Period)

vi. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

vii. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the Audit Period) and

viii. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit Period)

I further report that based on the explanation given by the management of the Company, even though being in Construction Business there are no other laws that are specifically applicable to the Company since it has subcontracted its existing business contracts to other parties for execution.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) The SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015;

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards, etc mentioned above subject to the following observations-

1. Company Secretary resigned on 09.11.2020 and the company has not appointed a Whole Time Company Secretary being the KMP till date of Audit period;

I further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. *However, composition is not as per Regulation 17 of SEBI (LODR) Regulations.* The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board and committee meetings are carried out unanimously as recorded in the minutes of the meeting of the board of directors or committees thereof as the case may be. There were no dissenting views of any member of the Board or committees thereof during the period under review.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were following specific events / actions having a major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

1. The Company did not have Company Secretary & Compliance Officer which contravened Regulation 6 (1) of SEBI (LODR) Regulations, 2015. Both of the Exchange issued notices regarding said noncompliance and on nonpayment of the fine, Promoters Demat accounts were freezed pursuant to SEBI (SOP) Circular provisions.
2. SEBI has initiated Forensic Audit of the company and same is not completed by till the date of filing report.
3. The company is required to have six (6) Directors on Board as per Regulation 17 (1) of SEBI (LODR) provisions, 2015. However, From 01.04.2021 to 28.05.2021 company had only five (5) Directors on Board. And since 23.03.2022, the company has five (5) directors on the Board.

Investor Grievance and Share Transfer System

We have a Board-level stakeholders relationship committee to examine and redress complaints by shareholders and investors. The status of complaints and share transfers is reported to the entire Board. The details of shares transferred, and the nature of complaints are provided in the Shareholder information section of the Annual Report. For shares transferred in physical form, the Company provides adequate notice to the seller before registering the transfer of shares.

The Stakeholder's Relationship Committee meets as often as required to resolve shareholder grievances. For matters regarding shares transferred in physical form, share certificates, dividends, and change of address, shareholders should communicate with Bigshare Services Private Limited, Registrar and Share Transfer Agent. Their address is published in the Shareholder information section of this Annual Report.

Share transactions are simpler and faster in electronic form. After a confirmation of a sale / purchase transaction from the broker, shareholders should approach the depository participant with a request to debit or credit the account for the transaction. The depository participant will immediately arrange to complete the transaction by updating the account. There is no need for a separate communication to the Company to register the transfer.

SEBI, effective April 01, 2019, barred physical transfer of shares of listed companies and mandated transfers only through demat. However, investors are not barred from holding shares in physical form.

The Company has obtained half yearly certificates from Company Secretary in Practice for compliance of share transfer formalities as per the requirement of Regulation 40(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company has also carried out Secretarial Audit for the reconciliation of Share Capital on quarterly basis, the total admitted capital with NSDL and CDSL, and the total issued and listed capital. The audit has confirmed that the total issued / paid-up capital is in

agreement with the aggregate total number of shares in physical form and the total number of dematerialized shares held with NSDL and CDSL.

Dematerialization of Shares and Liquidity

The Company's shares are compulsorily traded in dematerialized mode. As on March 31, 2021, 100% shares were held in dematerialized form and balance 0.00 % shares were held in physical form. Those shareholders whose shares are held in physical form are requested to dematerialise the same at the earliest in their own interest. The demat security code (ISIN) for the equity shares is INE023M01027.

Change in Shareholders Details

In case you are holding your shares in dematerialized form (e.g. in electronic mode), communication regarding change in address, bank account details, change in nomination, dematerialisation of your share certificates or other inquiries should be addressed to your DP where you have opened your Demat Account, quoting your client ID number. In case of physical holding of shares, any communication for change of any details should be addressed to Registrar & Share Transfer Agent of the Company Bigshare Services Private Limited, as per address mentioned above.

Nomination Facility

It is in the interest of the shareholders to appoint nominee for their investments in the Company. Those members, who are holding shares in physical mode and have not appointed nominee or want to change the nomination, are requested to send us nomination form duly filed in and signed by all the joint holders.

Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor report thereon.

1. The Company's Board of directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's report including Annexures to Board's report but does not include the standalone financial statements and our auditor's report thereon.
2. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
3. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

4. Based on the work we have performed, if we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, and Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in **(i)** planning the scope of our audit work and in evaluating the results of our work; and **(ii)** to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public

disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29(A) of the Standalone financial statement.
- The Company does not have any long-term Contract. The Company was not required to make any provisions for material foreseeable losses.
- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
- i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”) with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company; or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Fund Parties”) with the understanding, whether recorded in writing or otherwise that the Company shall:
 - Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party; or
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause d (i) and d (ii) contain any material misstatement.
- During the year, the Company has not declared or paid any dividend.

(C) With respect to the matter to be included in the Auditor's Report under Section 197 (16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure B to Independent Auditors' Report

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of Setubandhan Infrastructure Limited on the Ind-AS Standalone financial statements for the year ended 31 March 2022

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act

1. We have audited the internal financial controls over financial reporting of **Setubandhan Infrastructure Limited (Formerly known as Prakash Constrowell Limited)**. ('the Company') as of 31 March 2022 in conjunction with our audit of the Ind-AS standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' responsibility

3. Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit an internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal controls over financial reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SETUBANDHAN INFRASTRUCTURE LIMITED

F.Y. 2021-22

NOTES TO ACCOUNTS

Note 1: General Corporate Information

Setubandhan Infrastructure Limited (Erstwhile Prakash Constrowell Limited), is basically engaged in the business of construction for government and semi-government authorities such as buildings, quarters, roads, bridges, airports, godowns, hospitals, etc. and works for private bodies for construction of industrial buildings, residential & commercial complex, townships, health care centres and institutional campus with all related utility services. The company is also engaged in the business of real estate development.

Note 2: Significant Accounting Policies:

A. Basis of preparation of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year figures reported in this statement.

B. Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

C. Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investment in subsidiaries. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

D. Summary of significant accounting policies

The Financial Information has been prepared using the accounting policies and measurement basis summarized below:

(a) Current / Non-Current Classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realised within 12 months after the reporting date; or
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within 12 months after the reporting date; or
- iv. there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period..

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(b) Reporting currency

The financial statements are presented in Indian Rupees, which is the functional currency of the company and the currency of the primary economic environment in which the company operates.

(c) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

Ind AS 115 – Revenue from Contracts with Customers has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 01, 2018, replaces the then existing revenue recognition requirements.

Revenue is recognized when it is realized or realizable or earned. Revenue is considered as realized or realizable or earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collect ability is reasonably assured.

- The revenue from construction contracting activity is recognized by following percentage completion method of accounting as prescribed in Accounting Standard 7 issued by The Institute of Chartered Accountants of India. The stage of completion of a project is determined by the proportion of the contract cost incurred for work performed up to the Balance Sheet date bears to the estimated total contract cost. In the case where the contract revenue or the stage of completion cannot be determined reliably, the cost incurred on the contract is carried forward as Work In Progress. Provision for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on current estimates.

- While recognizing profits on contracts / projects substantially completed, due provision for incomplete work / pending bill etc. and probable cost of defect liability is made. Provision for defect liability is made at the amount equal to the amount of retention money (Security deposit retained) plus the bank guarantee offered for defect liability.
- In case of Real Estate projects which have commenced as well as the first revenue has been recognised before 1st April 2012, the company has followed the completion method. While in case of other Real Estate projects company has followed percentage of completion method.
- Profit/loss from write-off of excess / short provision for defect liability is recognized in the year in which there is unconditional release of retained amount / bank guarantee by the contractee.
- Scrap is accounted for only on realisation.
- Incomes from interest are recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Earlier adoption of Ind AS 11 on Construction Contracts

Till immediately preceding financial year, company has followed Ind AS 11 on Construction Contracts. According to which, the stage of completion of contract is determined as the proportion that contract costs are incurred for execution of work to the estimated total contract costs as on reporting date. Revenue was recognised in percentage of stage of completion. Expected variations in works contract, claims and incentive payments are included in contract revenue only when revenue is certain and capable of being measured reliably.

(d) Taxes

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(e) Property, Plant and Equipment

Under the previous GAAP, property, plant and equipment were carried in the balance sheet at cost of acquisition. The Company has elected to regard those values of assets as deemed cost at the date of the acquisition since they were broadly comparable to fair value. The Company has also determined that cost of acquisition does not differ materially from fair valuation as at

April 01, 2016 (date of transition to Ind-AS). Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance or extends its estimated useful life. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred. Depreciation is calculated according to useful lives estimated by the management. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Additions to fixed assets individually costing Rs. 5,000 or less are charged to revenue in the year of acquisition.

(f) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2016, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Company as a lessor

The Company has not entered any transactions as a lessor.

(g) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(h) Provisions & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

However, a disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(i) Retirement and other benefits to employees**Post Employment Benefits:**

- i) Defined Contribution Plan: The Company contributes on a defined basis to Employee's Provident Fund and Employees State Insurance Schemes which are administered by the respective government authorities and has no further obligation beyond making its contribution which is expensed off in the year to which it pertains.

- ii) **Defined Benefit Plan:** The Company has a defined benefit plan for gratuity covering all of its employees in India. The present value of the obligation under such defined benefit plans is determined based on the independent actuarial valuation.

Short Term Employment Benefits:

All the employee benefits payable within twelve months of rendering services are classified as short term benefits. Such benefit includes salaries, wages, bonus etc. and the same are recognised in the period in which the employee renders the relevant services.

(j) Prior Period Items

Expenses relating to earlier period are debited to profit and loss account, if any. As per information and explanation and records kept by the company, the amount of such expenses and incomes are not fully quantifiable.

(k) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

(l) Investments

Long term investments are stated at cost, while short term investments are stated at cost or net realisable value whichever is lower.

(m) Segment Reporting

Identification of segment:

The Company identified the business segments if any based upon engagement of providing an individual product or service or a group of related products or services.

Allocation of common cost:

Common costs are allocated to each segment according to the turnover of each segment to the total sales of the company.

Unallocated items:

Corporate assets and liabilities, income and expenses which relate to the company as a whole and are not allocable to segment, have been included under unallocated items.

(n) Earnings Per Share

Earnings per share is calculated by dividing the net profit or loss after tax and prior period adjustments attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Report on the Audit of the Consolidated Financial Statements

**To the Members of
M/s. Setubandhan Infrastructure Limited
(Formerly Known as Prakash Constrowell Limited)**

Opinion

We have audited the accompanying consolidated financial statements of Setubandhan Infrastructure Limited (Formerly known Prakash Constrowell Limited (“the Company”) and its subsidiaries (the Company and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information(hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.
3	<p><i>Evaluation of uncertain tax positions</i></p> <p>The Group has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Note 2 (clause c) Sub Clause (D) of Consolidated Financial Statements</p>	<p><u>Principal Audit Procedures</u></p> <p>Obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2021 to evaluate whether any change was required to management's position on these uncertainties.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

- 1.) The Parent's Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon
- 2.) Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 3.) In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- 4.) If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of the consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error..

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group and its subsidiary, joint ventures are also responsible for overseeing the financial reporting process of the group and its associates and joint ventures.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and

maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other

matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe the matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

- We did not audit the financial statements of 3 (Three) subsidiaries included in the consolidated year to date results, whose consolidated audited financial statements reflect total assets of Rs.3107.93 Lacs and total liabilities of Rs.3003.90 Lacs as at 31st March, 2022 as well as the total revenue of Rs.1953.15 Lacs , total expenses of Rs.1951.09 Lacs and net profit after tax Rs.1.24 Lacs for the year ended 31st March 2022. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far it related to the amounts and disclosures included in respect of these subsidiaries and associates and our report in terms of subsection (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate is based solely on the reports of the other auditors.

- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in “Annexure A” which is based on the auditor’s reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
1. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29(A) of the consolidated financial statement.
 2. The Company does not have any long-term Contract. The Company was not required to make any provisions for material foreseeable losses.
 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of **Setubandhan Infrastructure Limited (Formerly Known as Prakash Constrowell Limited)** (hereinafter referred to as “Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO ACCOUNTS

Note 1: Principles of Consolidation:

The Consolidated Financial Statements comprise Setubandhan Infrastructure Limited ("the Company") and its subsidiary companies as at 31st March 2022 and for the year ended on that date.

List of subsidiary companies included in consolidation are as under:

Name of the Subsidiary	Nature of Holding	% Holding	Nature of Relationship
Unique Vastu Nirman & Projects Pvt. Ltd.	Equity	70%	Subsidiary
Bhumit Real Estate Pvt. Ltd.	Equity	100%	Subsidiary
Godavari Projects J.V.	Capital Contribution	99.99%	Subsidiary

The Consolidated Financial Statements have been prepared on the following basis:

- (i) The financial statements of the Company and its subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra company balances in accordance with the Indian Accounting Standard 110 on "Consolidated Financial Statements".
- (ii) The financial statements of the subsidiaries are drawn upto the same reporting dates as that of the Company, i.e. March 31, 2022.
- (iii) The Consolidated Financial Statements are prepared to the extent possible using uniform accounting policies for the like transactions and other events in similar circumstances and are presented in the manner as the Company's separate financial statements.
- (iv) The difference between the costs of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve, as the case maybe.
- (v) Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (vi) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.

Note 2: Significant Accounting Policies:

A. Basis of preparation of Financial Statements

The Financial statements of the company has been prepared in accordance with Indian Accounting Standards (Ind-AS) specified under section 133 of the act., read with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The financial statements have been prepared on a historical cost convention and on accrual basis except for certain financial assets and liabilities measured at fair value if any. The financial statements are prepared in INR.

B. Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles except where specifically stated in financial statement and notes to accounts of the non-conformity with the relevant accounting standard, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expense for the year. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from those estimates. Any revision to accounting estimates will be recognised prospectively in the current and future periods.

C. Summary of significant accounting policies

(a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

"A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(b) Foreign currencies

The financial statements are presented in Indian Rupees, which is the functional currency of the company and the currency of the primary economic environment in which the company operates.

(c) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

Ind AS 115 – Revenue from Contracts with Customers has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 01, 2018, replaces the then existing revenue recognition requirements.

Revenue is recognized when it is realized or realizable or earned. Revenue is considered as realized or realizable or earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collect ability is reasonably assured.

- The revenue from construction contracting activity is recognized by following percentage completion method of accounting as prescribed in Accounting Standard 7 issued by The Institute of Chartered Accountants of India. The stage of completion of a project is determined by the proportion of the contract cost incurred for work performed up to the Balance Sheet date bears to the estimated total contract cost. In the case where the contract revenue or the stage of completion cannot be determined reliably, the cost incurred on the contract is carried forward as Work In Progress. Provision for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on current estimates.
- While recognizing profits on contracts / projects substantially completed, due provision for incomplete work / pending bill etc. and probable cost of defect liability is made. Provision for defect liability is made at the amount equal to the amount of retention money (Security deposit retained) plus the bank guarantee offered for defect liability.
- In case of Real Estate projects which have commenced as well as the first revenue has been recognised before 1st April 2012, the company has followed the completion method. While in case of other Real Estate projects company has followed percentage of completion method.
- Profit/loss from write-off of excess / short provision for defect liability is recognized in the year in which there is unconditional release of retained amount / bank guarantee by the contractee.
- Scrap is accounted for only on realisation.

- Incomes from interest are recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Earlier adoption of Ind AS 11 on Construction Contracts

Till immediately preceding financial year, company has followed Ind AS 11 on Construction Contracts. According to which, the stage of completion of contract is determined as the proportion that contract costs are incurred for execution of work to the estimated total contract costs as on reporting date. Revenue was recognised in percentage of stage of completion. Expected variations in works contract, claims and incentive payments are included in contract revenue only when revenue is certain and capable of being measured reliably.

(d) Taxes

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable

that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(e) Property, Plant and Equipment

Under the previous GAAP, property, plant and equipment were carried in the balance sheet at cost of acquisition. The Company has elected to regard those values of assets as deemed cost at the date of the acquisition since they were broadly comparable to fair value. The Company has also determined that cost of acquisition does not differ materially from fair valuation as at

April 01, 2016 (date of transition to Ind-AS). Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance or extends its estimated useful life. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred. Depreciation is calculated according to useful lives estimated by the management. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Additions to fixed assets individually costing Rs. 5,000 or less are charged to revenue in the year of acquisition.

(f) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2016, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the

Company is classified as a finance lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Company as a lessor

The Company has not entered any transactions as a lessor.

(g) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(h) Provisions & Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

However, a disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(i) Retirement and other benefits to employees

Post Employment Benefits:

- i) Defined Contribution Plan: The Company contributes on a defined basis to Employee's Provident Fund and Employees State Insurance Schemes which are administered by the respective government authorities and has no further obligation beyond making its contribution which is expensed off in the year to which it pertains.
- ii) Defined Benefit Plan: The Company has a defined benefit plan for gratuity covering all of its employees in India. The present value of the obligation under such defined benefit plans is determined based on the independent actuarial valuation.

Short Term Employment Benefits:

All the employee benefits payable within twelve months of rendering services are classified as short term benefits. Such benefit includes salaries, wages, bonus etc. and the same are recognised in the period in which the employee renders the relevant services.

(j) Prior Period Items

Expenses relating to earlier period are debited to profit and loss account, if any. As per information and explanation and records kept by the company, the amount of such expenses and incomes are not fully quantifiable.

(k) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

(l) Investments

Long term investments are stated at cost, while short term investments are stated at cost or net realisable value whichever is lower.

(m) Segment Reporting

Identification of segment:

The Company identified the business segments if any based upon engagement of providing an individual product or service or a group of related products or services.

Allocation of common cost:

Common costs are allocated to each segment according to the turnover of each segment to the total sales of the company.

Unallocated items:

Corporate assets and liabilities, income and expenses which relate to the company as a whole and are not allocable to segment, have been included under unallocated items.

(n) Earnings Per Share

Earnings per share is calculated by dividing the net profit or loss after tax and prior period adjustments attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.
